

MJB Newsletter #1 October 2024 Family Email to individual registered players on Fri Oct 11 2024

Welcome to the 2024-2025 Season of Mildmay Junior Broomball.

Our Facebook site is: www.facebook.com/mildmayjrbroomball

Our website is: <https://mildmayjuniorbroomball.ca>

The Website & Facebook will have the October calendar (attached). Check there often for updates.

Registration is now closed for all teams. Thanks to all families that recruited extra players.

We have U9 Farmers, U9 Roosters, U12 Hawks, U12 Moose, U12 Falcons, U14 Girls Mustangs,

U14 Boys Underdogs, U20 Girls Twisted Sisters & U20 Boys Jr Moose.

Coaches should have contacted you regarding your child's team.

Most games are now scheduled, but we are short ice in Mildmay. We are working on this.

Please try your best to make all practices & games. We scheduled as best we could.

We are requesting more ice for next year. Great to see so many teams, just challenging.

Please pay attention to practice and game start times. We have consecutive hours of ice and therefore don't need flooding. To be fair to all broomball participants, each practice and game will be given at least 55 minutes, rather than have the last practice shorter all the time.

FBAO (Ontario) Registration will be online again this year. Move information later when available.
